

Bega Valley Local Knowledge Attractions & Experiences Famil

Wednesday 29 March 2023

The Centre of Excellence famil program continues in 2023 designed to showcase the exceptional and diverse range of tourism and hospitality products and services available to visitors in the Bega Valley.

The aim of the famil program is to increase the knowledge of local tourism and hospitality customer facing workers on the local visitor offerings so that they can recommend with confidence what is on offer in their own backyard for visitors to experience adding value to their stay and supporting local tourism products and services.

About the Bega Valley Local Attractions and Experiences Famil

This full day famil will start in Merimbula and take in a number of attractions and experiences including a wildlife sanctuary, oyster cruise, kayaking and fishing options and much more including a very special opportunity for attendees to get a sneak peak at the new South East Centre for Contemporary Art.

Who is eligible to apply

To attend the Bega Valley Local Produce Famil – applicants must currently be working in a customer service role within the tourism or hospitality industry.

What is included

The famil includes:

- Coach transport departing from and returning to Merimbula
- Entry into all venues and experiences
- A light lunch will be provided

Each application will be considered on receipt for suitability to participate in the famil.

Seats on this famil will be limited, please ensure that you express your interest via the link below by **Monday 20th March 2023**. Multiple bookings from individual businesses will be considered, subject to availability.
