

Bega Valley Tourism & Hospitality NEEDS YOU!

4-day Short Course (incl. RSA) Skill Set in Hospitality

The South Coast Centre of Excellence is collaborating with Training NSW, Workforce Australia - Local Jobs and the Eden Chamber of Commerce to develop a tourism and hospitality short course to encourage you to reskill or upskill to help local businesses with the labour shortages in the region.

Gain knowledge and skills you need to work in the hospitality industry. Local businesses in hospitality, entertainment and tourism are seeking skilled, certified and motivated workers. Café restaurants, clubs, hotels, parks, recreational facilities (just to name a few) offer both part-time casual jobs and permanent roles with solid career pathways.

WHO CAN ENROL?

Anyone who wants to work within the many roles available in hospitality. Skills NSW provides fee free training courses to help you get skills you need to find a new role.

From 1 July 2022 the government increased the pension income free area to \$190 a fortnight for a single and \$336 for couples combined. This means a single pensioner over Age Pension age with no other private income could earn up to \$490 a fortnight from work and still receive the maximum rate of pension.

Given these changes, if you are retired and would like to top up your earnings, consider gaining some new skills and help out your local business community.

With an anticipated 60 cruise ships coming into Eden in the next twelve months, local businesses will need additional labour to work in their cafes, restaurants, hotels and on tours.

*Smart and Skilled program eligibility applies.

**For information on the NSW Smart and Skilled program, visit www.smartandskilled.nsw.gov.au or call 1300 772 104.*

***Upon course completion, students receive a Statement of Attainment and RSA Certification.*
