South Coast Centre of Excellence

Mentor Program

Applications
NOW OPEN for
Mentees and
Mentors!

The South Coast Centre of Excellence Mentor Program aims to assist workers in the tourism and hospitality industry in the Shoalhaven, Eurobodalla and Bega Valley local government areas by matching them with industry leaders who will provide coaching, support, advice, motivation, and exposure. These mentors will serve as a sounding board and role model, provide exposure to the wider industry beyond the mentee's placement and expand the mentees' professional networks.

The program will match anyone who is seeking guidance and support with a more experienced operator in the business, tourism and hospitality who are willing to commit time and energy to the professional development of future industry leaders.

The mentor may help the mentee achieve or work toward career goals, introduce the mentee to new ways of thinking, challenge a mentee's limiting assumptions, share valuable life lessons, and much more.
